2019 Vendor Application and Rules/Regulations

Chewelah Farmers Market Rules and Regulations for Calendar Year 2019

Mission Statement: *The mission of the Chewelah Farmers Market is to make available high-quality, locally produced food, and to promote self-sufficiency in the community food systems by providing a venue for local farmers, growers, and producers to connect directly with consumers, and to support educational opportunities for a sustainable community.*

Market Locations: Days: Northwest corner of the Chewelah City Park, north of Lincoln Ave. along Park St. (Hwy. 395);
Nights: Approximately 100 N. 2nd St. due East of NAPA Auto Parts.

Market Management: The Chewelah Farmers Market is a registered Washington State non-profit corporation. The market is directed by a volunteer board of directors which consists of growers and others, along with a volunteer market manager who is likewise interested in promoting the market and furthering its goals and vision. Stipends to defray personal costs may be paid to the Manager, Community Coordinator, Social Media Coordinator, and other Market Assistants at the discretion of the board.

Market Components:

1. Farmers Market: featuring local producers, food and craft vendors located in the Chewelah City Park and arranged in booth spaces. Vendors become members through an annual application process and fee. Night events will include entertainment and downtown business cooperative agreements.
2. Community Booth: A single shared booth space for vendors that do not wish to operate a regular vendor booth using market provided canopy and tables. No yearly vendor fee is required, and Community Booth vendors are not required to commit to a whole market day. The market manager may limit the number of times a single vendor may use the booth.

Membership Benefits:

- Web Presence - A website has been created to showcase our vendors (among other things). Any vendor in good standing is eligible for a web posting on our "Meet the Vendors" page. Please provide your Biography and picture to the Market Manager. If you have a website, the picture can be linked to your website and/or social media.
- Marketing Exposure - The CFM also affords other marketing strategies throughout the year to bring as much exposure to our vendors as possible. This may include advertising, radio, flyers, ad copy, special events, fairs etc.
- Annual Vendor Earnings Report - Each vendor in good standing may receive a report showing their self-reported sales figures at the Chewelah Farmers Market for the vending season, and an overall market performance spreadsheet for the year.

Product Ratio: A goal of the Chewelah Farmers Market is to have less than 40% of the total gross sales on any market day attributed to crafts, art, baked goods or other processed or value-added products that are not considered locally raised or resold produce, plants, meat, eggs, dairy or honey.

Hours of Operation

Days: The Farmers Market will be open (except by declaration of the market manager) Fridays from 11am to 3:30pm. There will be no day farmers market coincident with the Chataqua Festival held every July (dates vary).

Nights: Downtown from 5pm to 8pm, the "Summer Nights" events will be held the first Wednesday of the month from June through October.

In both market events, vendors are expected to attend each market day and are required to remain open for business until market closing. Leaving the market before close of business without consent of the Market Manager or Board President will result in an additional \$50 fee, which must be paid before the vendor sets up again at the market.

Market Commission: Vendors in good standing will be charged \$6 per day or 6% of gross daily sales (whichever is greater) not to exceed \$45. Non-profits and Fundraising booths will pay a booth fee and flat rate \$6 per market day. Bonus: Any vendor with perfect attendance for all day markets will not be charged commission on the last market day.

A Vendor Daily Report will be given to each vendor prior to closing each market day. The Report must be accurately, honestly, and completely filled out and turned in to the Market Manager along with fee payment during the vendor checkout process. All dollar amounts, including calculated commissions, shall be rounded to the nearest dollar.

Nonmembers selling products at the community booth will complete a Vendor Daily Report and pay a fee of 12% of gross sales.

Check-in: All vendors are to check in with the market manager or a designated Chewelah Farmers Market volunteer before setting up on each day of market operation in order to receive their booth assignment. All vendors must have a current and fully completed signed vendor application on file and have submitted membership and booth fees. Incomplete, unsigned, or unpaid applications may be returned or result in the delays in market participation.

Set-up: Vendors not engaged in food preparation may begin setting up their displays not earlier than 9:30am on all days of operation, and must be fully set up by 11am. Nighttime vendors may begin setup at 3:30pm and must be fully set up by 5pm.

Vendor Parking: Since no vehicles are allowed on the grass in the city park, vendors may offload and pack out from the customer parking area along Hwy 395. Space is limited, and vendors must off-load and move their vehicles as soon as possible – cooperation and assistance between vendors is customary and helps things move efficiently. After 10:45 a.m., unloading from the customer parking area is not permitted to allow for customer arrival. The City of Chewelah prohibits parking in the camping area of the city park without a paid camping reservation. Do not park in private parking lots owned by residents or local businesses unless you have obtained permission to do so.

Pack out: Daytime vendors may park their vehicles along Hwy 395 to pack out after 3:30pm, Night Vendors will be instructed individually regarding parking and loading/unloading.

Restrooms: Day vendors have access to the two-restroom facilities in the park, located in the northeast and southeast corners of the park. Night Vendors will have portable sanitary bathrooms provided. Do not use restroom facilities of nearby businesses unless you patronize their business and/or make appropriate arrangements with them.

Booth Assignment: Vendors will be assigned a 10x10-booth space on a first come, first serve basis at the discretion of the market manager. Regular vendors will have their prior weeks' booth space reserved for them. If a vendor misses a week of the market without notifying the market manager by 9:00 a.m. the day/night of the market, the vendor may forfeit their market location for the subsequent market day. Vendors may also forfeit their market location if they miss more than two or more market days consecutively.

If we should run out of booth spaces during peak season this year, the Market Manager may use whatever options are available to accommodate all vendors in our defined space, such as limiting non-farm vendors to one booth or consolidating two smaller vendors into a single booth space. If there is temporarily insufficient room for all vendors, priority will be given to vendors with the strongest attendance record.

Canopies: All vendors who wish to erect canopies (including umbrellas) on the Farmers Market site during a normal period of market operations, including the set up and break down period, are required to have their canopies sufficiently

and safely anchored to the ground from the time their canopy is put up to the time it is taken down. Any vendor who fails to properly anchor his or her canopy will not be allowed to sell at the Farmers Market on that market day, unless that vendor chooses to take down and stow their canopy and sell without it. Each canopy leg must have no less than 24 lbs. (pounds) anchoring each leg. Canopy size may not exceed booth space assigned.

Signage and Displays: All vendors must post a sign identifying the name of the farm/business represented. Prices should be clearly posted. Displays, signs, and racks must not obstruct customer traffic flow or a clear view of adjacent booths and vendor displays.

Priority on Locally Produced Inputs: The Chewelah Farmers Market is dedicated to local sustainability. Local Vendor-produced Craft Items: Samples of all craft items must be presented to the Chewelah Farmers Market manager or designated volunteer for approval before they are sold. Only approved items may be sold.

Non-profit Organization Fund-raiser Items: Community non-profit organizations, public or private schools, churches, youth organizations and may be allowed to purchase a booth space at the market to educate the public, promote their organization, or raise funds in any legal manner provided the booth activities can be demonstrated to support the mission statement of the Chewelah Farmers Market. Approved organizations may sell appropriate fund-raiser items and keep all proceeds except for booth fees and flat rate commission. These organizations must have the prior approval of the market manager and have submitted a fully completed vendor application and paid the necessary booth fees.

Items that do not fit into the above criteria, such as Fair Trade items (with the exception of complete compliance with all applicable local and state regulations) will be subject to the approval of the Chewelah Farmers Market Management team on an individual basis.

Language: Foul or abusive language, verbal harassment, yelling, gossiping, slandering or other unprofessional and disrespectful verbal exchanges will not be tolerated. This includes interactions with/between vendors, Board Members, Market Manager, and customers.
